

# BRIDESMAID BOUQUET

**Class 12, Session D, Friday 1:30-5:00**

**Designer/Instructor:** Gladys Brockway

*Gladys Brockway grants full use of the project*

**Instructor's Comments:** I made this flower arrangement for my granddaughter's wedding. This is the design for the bridesmaid's bouquets. The instructions will include bride's bouquet, corsages, and boutonnieres. We used silk leaves because they would hold up better with all the handling.

**Skill Level:** Open to all levels

**Techniques:** Assembling the roses and arranging the spray.

**Suggested Wheat:**  
Wheat paper

**Other Supplies:** 5-7 sheets of wheat paper (Gladys will have white and colors), 2 sheets of green wheat paper or silk leaves, ribbons, floral tape, covered wire, pearl spray is optional

**Materials Kit: Cost:** \$12.50

**Kits are required if offered. Kit includes:** wheat paper, floral tape, wire, leaves, patterns for roses and leaves
