

Mr. Bunny Rabbit

Instructor: Rita Peterman

Designer: Rita Peterman

Designation for Project Use:

Rita Peterman grants full use of this project.

Instructor's Comments:

So many of our ideas come when we see another project and immediately see how to expand or add to the project.

Mr. Rabbit is a variation built from Doris Johnson's Harvest Devils from the book "Straw Craft and Corn Dollies." Jan Gowin shared the idea of changing a harvest devil to a rabbit at a KASA meeting, and I have made more changes.

Skill Level: Intermediate

Size of Project: 3" x 7"

Prerequisites: Basic spiral weaving

Pework: None

Techniques Taught in Class:
