

# Weaving a Friendship Symbol

**Instructor:** Joan Anderson

**Designer:** Joan Anderson

**Designation for Project Use:**

Joan Anderson grants full use of this project as long as credit is given to Wild Tattoo Art.

**Instructor's Comments:**

I found a page depicting friendship symbols on the Internet. The heart with a figure eight was my favorite, and I thought it would be attractive worked in wheat straw. Permission to use the design has been granted by Wild Tattoo Art as long as credit is given to them for the original design.
